

2023 Theatre on Ice
US Nationals Opportunity
For Fort Wayne Ice Skating Club Skaters
June 26-30, 2023
in Harland, MI

Theatre On Ice (TOI) is a form of competitive figure skating where and it combines the grace of figure skating with the excitement of theater and dance. Teams consist of between 8 and 24 skaters. Solo skating is discouraged but is permitted in limited amounts if it enhances the overall telling of the program's story. The programs are judged by U.S. Figure Skating judges that rewards originality, costuming, artistry and musicality.

There are several TOI teams and TOI competitions around the country, and U.S. Figure Skating is making an effort to standardize and promote this competitive opportunity. Skaters, both competitive and noncompetitive, can learn and grow on a theatre team. Best of all, a team can draw club skaters together and increase club spirit.

Skaters receive the following benefits:

- More competitions when performing in competitions and shows
- A chance to develop the dramatic side of their skating
- A chance to be part of a team while continuing to use their technical skills
- A chance to travel both locally and internationally
- A chance to make new friends both in and out of the club
- A chance to relax while performing and competing for competitive skaters
