## Compete USA Competition

**March 27, 2021**

Competition Location:  
3869 Ice Way, Fort Wayne, IN 46805  
SportONE Parkview Icehouse

In partnership with Fort Wayne Ice Skating Club

**Chief Accountant: Gordon Mackay**

The SportONE Parkview Icehouse Learn to Skate Compete USA Competition will be conducted in accordance with the rules and regulations of the U.S. Figure Skating, as set forth in the current Rulebook as well as any pertinent updates which have been posted of the U.S. Figure Skating website.

## **ELIGIBILITY**

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either Learn to Skate USA program and those who are full members of U.S. Figure Skating. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club. There will be no more than six competitors maximum in an event and all six should receive an award.

Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam, Basic 1-6 and Hockey 1-4** skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field.

For the **Pre-Free Skate and Free Skate 1-6** eligibility will be based only upon highest free skate test level passed. Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee (LOC) discovers that a skater has been placed in a category that is below his/her class level, the chair and referee will have the option to move the skater into the proper division, even if it is the day of the competition. This will ensure that every event is as fair as possible to the competitors.

**COVID-19:** A detailed overview of competition processes and policies that will be implemented to maintain the safety of all event attendees will be communicated prior to the start of competition via email for all attendees. Please review "How to Protect Yourself & Others" from the Center for Disease Control and Prevention to help you understand the policies being so you are aware of the planning process, however all is subject to change.

## Hockey Skills Challenge

Have skaters complete each of the five following skills competitions. Set up each station according to the descriptions below. Skaters earn points upon placement in each station (First place - 5 points, second place - 4 points, third place - 3 points, fourth place - 2 points, fifth place - 1 point). Highest combined total wins.

1. Shooting: Using a “shooter tutor,” give each skater 10 pucks to shoot into the five holes. Alternate each shot into the different holes in the tutor. Most number of hits wins.
2. Fastest Skater: Starting at the center red line, have skaters complete one lap around all of the dots and behind the nets. Set up cones on each red dot to outline to course. 2-4 skaters can race at a time at different sides of the red line. Use stop watch. Fastest skater wins.
3. Stick Handling: Place two rows of staggered cones down the length of ice. Have skaters stick handle through the cones down one length and back again. Shortest time wins. A missed cone is a 5-second penalty.
4. Agility: Set up an obstacle course with cones for forward and backward skating, turns and stops. Fastest skater wins.
5. Passing: Set up stationary targets (i.e. cones, bucket, mini-net) 25 feet away from starting line. Give each skater 10 pucks to try to hit each target. Highest number of hits wins.
